

AUTISM HOPE

ALLIANCE

# Providing Hope and Help for Autism Families Today

- The Autism Hope Alliance embodies hope for families facing the diagnosis of Autism through education, financial support and volunteerism. The Autism Hope Alliance is the first non-profit foundation for Autism to emerge from the natural foods industry.
- Connecting the Natural Products Industry with the Autism Community.

# Changes in Prevalence of Autism Spectrum Disorder

***More children are diagnosed with autism each year than with juvenile diabetes, AIDS and cancer combined.\****

“With rising Autism statistics, there is an urgent need for companies to take action and support families who face this enormous challenge.”

Tom Bohager, Founder  
Autism Hope Alliance

# Autism Approved Program

---

A partnership program that we developed to raise dollars, bring awareness, create standards and ensure companies do their due diligence by being socially responsible to our community.

## Measurable Change, Real Lives

Over \$2.5 million in combined program support provided to families.  
More than 100,000 families supported nationwide.  
Free global education through the Autism Hope Library.  
Direct family support via the AHA Free Sample Program.

## AHA Programs

Autism Hope Library provides education for families with weekly educational videos. Library card memberships are free for all that sign up.

Autism Hope Alliance's Free Sample Program opens up quarterly for families to sign up for free products, coupons and education directly from the AHA Partners. It is how AHA connects families to the Natural Products Industry.
